CM-700 Machine System

The **CM-700S (Standard)** and **CM-700R (Recycle)** are lean, mean, blowing machines that save you some 'green'. (cash that is). Cutting edge twin 'scalping augers', rugged design, and simple operation offers a reliable, robust machine with simple maintenance.

The "can-do" attitude of the do-it-yourself installer, or professional contractor, is realized with this little dynamo capable of performing at modest rate with **all fibers** (Cellulose, Fiberglass, Rockwool), and **all applications** (attic, dense packing, sidewall spray-on).

Need something extremely portable with low power requirements? Need a lightweight recycle machine for wall spray? We've got you covered.

What a **Cool** way to start your business.

Production Rates:

<u>Material</u>	<u>Production Rate</u>
Cellulose	431 kg/hr.
Fiberglass	182 kg/hr.
Rockwool	272 kg/hr.

Optimal Performance with 'ALL' Fibers

CM-700 Standard or Deluxe

Shown with Optional Hopper Extension and Wheel Package

Features & Benefits:

Dual 'scalping' augers enhanced fiber conditioning.

Modular control panel with plug-in receptacles.

Quick release dual augers for easy airlock maintenance.

Quick release hopper for easy handling.

Specifications:

- **Weight:** 82 kg.
- **Dimensions:**
 - 71 cm l x 56 cm w x 147 cm h
- **Hopper Capacity:** 0.21 m³
- **Airlock size:** 20.3 cm dia. x 25.4 cm long 0.28 bar w/ 6.3 cm output tube.
- **Drive motor:** 1/3 h.p
- **Blower:**
 - 4.7 amp. /3 m³/min. (Standard)
 - 7 amp. /4 m³/min. (Deluxe)
- **Power Requirements:**
 - 8 amp. single input (Standard)
 - 10 amp. single input (Deluxe)

CM-700R 'Recycle'

Hopper Chute accomodates most generic size trash bins.

Ball Valve bypass allows for use as a Recycle or Standard machine.

Machine Options

- 15.25 cm dia. wheel package (pictured)
- Hopper extension w/ loading tray (0.24 m³ total) (pictured)
- Deluxe w/45 m 3-postion remote control cord & 7 amp. variable speed blower
- CE conformity f/export

Machine Accessories

Wireless Remote

Hoses, Hose Reels, & Fittings

Spray Equipment

Gas Vacuums
