'Cool' Tool Series - Wall Scrubbers

Our **Cool Tools** are important devices used to remove excess wall spray insulation (flush) with wall studs, allowing for easy installation of drywall. The 'wall scrubbing' process must be fast and easy, resulting in a clean surface that will compliment the spray process.

The **Cool Tool** utilize a proprietary hybrid wall scrubber design combining the best of the "T" frame technology (edge cutting into corners), and the rugged two (2) support roller design of the "U" frame technology. This cutting edge design provides a rock solid unit that is extremely rugged, easily serviced, exceptionally well balanced and light-weight (11lbs.). These elements provide the Industry's highest performance, lowest weight wall scrubber, with impressive finished results.

Available in Corded & Cordless

Cutting Edge Cool!

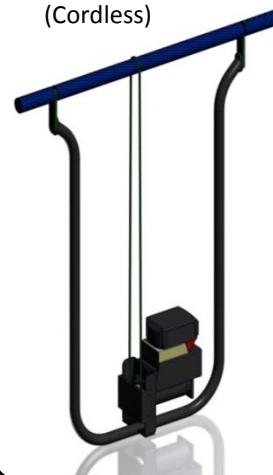

(Corded)

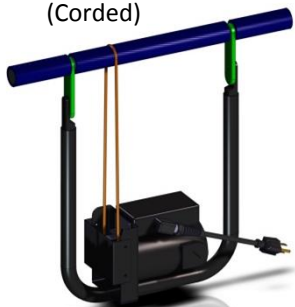

'Standard' Specifications:

- **Weight:** 11 lbs. Corded / 12 lbs. Cordless
- **Dimensions:** 36.5"L x 31"W x 4.25"H
- **Power Requirements:**
 - Corded: 1.5 amp. 120/230 volt, 50/60 Hz
 - Cordless: 18 volt D.C. (Milwaukee)
- **Drive Motor:**
 - Corded: 1/8 h.p. TENV, 120/240 volt, 50/60 Hz
 - Cordless: 5.1 amp. 18 volt, TENV

(Cordless)

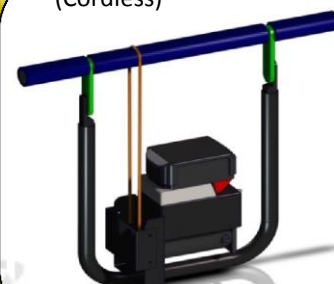

(Corded)

'Mini' Specifications:

- **Weight:** 8.5 lbs. Corded / 11.4 lbs. Cordless
- **Dimensions:** 18"L x 20"W x 4.25"H
- **Power Requirements:**
 - Corded: 0.5 amp. 120/230 volt, 50/60 Hz.
 - Cordless: 18 volt D.C. (Milwaukee)
- **Drive Motor:**
 - Corded: 1/27 h.p. TENV, overload protected
 - Cordless: 5.1 amp. 18 volt, TENV

(Cordless)

Cordless Options:

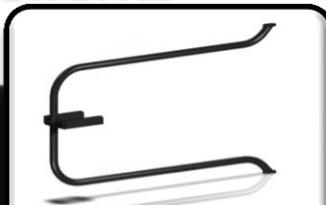

- **Standard life:** 1.5 amp. 18 volt battery: 20 min. continuous run time
- **Long life:** 4.0 amp. 18 volt battery: 40 min. continuous run time
- **Quick Charger:** Input: 120 volt, Output: 12-18 volt, 3 amp.
Charge time 'standard life' battery: 30 min.
Charge time 'long life' battery: 60 min.

Features & Benefits

Cordless models use standard or long life Milwaukee Batteries

Lightweight Aluminum frame reduces fatigue

Oil impregnated delrin roller supports for long life.

Quick change rollers and belt (no tools req'd)
